

Long Beaded Picot Doodle © Jane Eborall

This is a replacement page for my original doodle which has been on the web site for many years.

[Click here](#)

Materials required – 1 shuttle, number 20 thread, seed beads and one 4mm bead.

Abbreviations

R	Ring	S	Starting place
DPB	Down beaded picot	DNRW	Do not reverse work
- or p	Picot	LBP	Long beaded picot.

For the long beaded picot add the beads to the thread at the back of the hand and hold in place with a safety pin/paperclip. until the join is made. [See this link.](#)

Add 1¼ yards thread to shuttle and add 7 small, 1 large (4mm), 1 small bead in that order. Move 1 small, 1 large, 1 small bead to back of hand.

R1: 3 B 4 LBP (23 beads) 2 LBP (15 beads) 1 LBP (9 beads) 1 DPB 1 + (third LBP) 1 + (second LBP) 2 + (first LBP) 4 B 3 CI DNRW

Place remaining 6 beads at back of the hand before starting R2.

R2: 2 B 2 B 2 B 2 – 2 B 2 B 2 B 2 CI T & C
