The Snowflower Snowflake measures 4" from tip to tip and is worked in one pass with one shuttle thread being changed for the final second round.

Materials required: 2 shuttles, number 20 thread (2 colours) to achieve the diameter given, seed beads.

Skills required: Knowledge of SCMR, split ring.

Note: for those who prefer front side/back side tatting the text in *italics and red* indicates where the worker needs to use the second half of the ds first.
